"LC" is one of our prettiest cows in our pasture and never fails to give us our most colorful calf each year. She is a protective mother with an easy going temperament, always maintains perfect condition in the rugged New England climate. With great milking ability and over 80" tt horn, she would be a great addition to any herd. Confirmed bred for an early summer calf to MF Raining Chex (Cowboy Catchit Chex x SHR Sweet Kiley Rain)

Total Horn: 92.5000 on 12/10/2023
TTT: 80.2500 on 12/10/2023
